

Public Forum to Advance HAGUE'S 20/20 VISION

Thursday, November 10, 2016 6:30 – 8:30 pm

Hague Community Center

Dear Hague Resident:

We invite you to attend our third public meeting of Hague's 20/20 vision on Thursday, November 10, 2016 at 6:30 pm at the Community Center. Our goal for this meeting is to have the subcommittees present the information gathered at and since the September 29 meeting. As a group, we will evaluate the information and prepare for its presentation to the Town Board.

At the September 29 meeting, each committee reviewed the data and suggestions from the August 18 meeting and assessed them for their merit and feasibility. They also assigned priorities to the individual suggestions -- immediate need, short-term goal or long-term goals for the Town – and examined ways to implement them.

Important: Even if you are currently not in Hague or if you do not plan to be here during the winter months, you can still volunteer to serve on one of the committees. All we ask is your commitment to work with the other committee members – by phone, email, etc.

If you cannot attend the November meeting, but want to serve on one of the committees, you can simply reply to this email or send an email to Cathy Clark (zoning@townofhague.org).

We also invite you to visit the [Town of Hague website](#), where you'll find the following documents:

- Summary report of the September 29th meeting
- Chapter 4 of the current Town of Hague Comprehensive Plan
- Analysis of Hague's 2015 survey of residents

We look forward to thoughtful dialog on November 10, 2016.

Best regards,

Cathy Clark, Zoning Enforcement Officer

The Hague Town Board
